

Soccerscool®

www.soccerscool.net

Welcome to Soccerscool

Our mission is to provide a fun and safe, professional environment in which young boys & girls can learn the game of soccer. At an early age we focus on developing each child's individual skills and confidence on the ball before introducing them to aspects of team play. We also use the teaching of soccer to nurture valuable life skills in or to develop an awareness of the importance of practice, discipline, respect, perseverance, teamwork and taking responsibility.

Soccerscool prides itself on the level of fun, participation, skill and knowledge that children gain from our training sessions.

Free Taster Session

The link (*sign up for a free taster class*) will take you to an online registration page. Please submit your details and we will contact you to arrange your free taster.

Our free taster class will give you and your child the opportunity to experience Soccerscool's coaching programme and find out more about our ethos and prices.

We will only sign you up for a course once you and your child are happy to make the commitment.

Prices

Our prices vary in relation to the classes we offer. A member of our team will on hand to give you a price guide.

We take block bookings for each school term, which normally covers a period of 10-12 weeks.

Discounts available for families and children on free school meals.

Soccerscool Training Kit

Our bespoke embroidered training kit is of the highest quality and available for purchase directly from our stockist Ace Sports in Kentish Town.

The starter pack represents great value and consists of the following items:

- Rain jacket
- Training top
- Sweat-shirt
- Shorts & socks

The total price is £75 and comes with a free Soccerscool name bag.

Address: 6 Fortress Rd, NW5 2ES

Tel: 020 7485 5367

*“Beauty comes first,
victory is secondary.
What matters is joy.”*

Role of Parent/Carer

It is important that we create a professional teaching environment and one in which children can be independent and take responsibility for their belongings. We will therefore actively encourage parents and carers to keep their distance from children during the session. Please remain in the designated spectator area if you wish to watch and refrain from coaching or approaching your child during practice or break times. A full list of **terms & conditions** are available to view for your acceptance when registering your child.

Behaviour Management

We owe it to all the children attending our sessions that disruptive behaviour is dealt with in a fair and consistent manner. We therefore have a yellow, red and black card system in place which every member of or coaching team adheres to. Parents will be informed if your child's behaviour becomes an issue.
