

SOCCESSCOOL GDPR POLICY

General Statement of Intent Soccerscool takes the privacy of its members very seriously. This policy relates to all personal data requested, stored and used by Soccerscool in the pursuance of its activities. Soccerscool takes reasonable care of all personal information and ensures it is kept secure and prevents any unauthorised access or unlawful use of it. All information is processed in accordance with the applicable UK data protection legislation and The General Data Protection Regulation (GDPR).

Collection of personal information

Soccerscool will request members provide information at point of registration through the players registration form, club forum and at other times dependent on special events and activities and therefore the information requested will vary depending on the reason for the collection. The information provided includes, but is not limited to, name, age, home address, telephone numbers, email address and any medical information. In some instances, the provision of certain information will be mandatory.

Storage of Personal Information

Soccerscool stores information in respect of the club membership electronically and in paper format. All data is held in a secure manner. The Head Coach who is assigned to the specific task of holding such data strictly controls access to this data. If there are any paper copies of any club members, this data is securely held by the Head Coach Individual team data in electronic format is held by members of the Coaching staff (as required). Soccerscool uses the FA systems Whole Game System (WGS) and Fulltime. The FA will ensure that their systems meet requirements on information security and will also update the associated online terms and privacy notices in accordance with the GDPR. In addition, The FA will make sure that contracts are in place with any relevant software providers and with other footballing stakeholders as needed under the regulation.

Use of the Personal Information

Soccerscool will use personal information for the purposes of running the club and the teams within it. It is also used for the purpose of verifying member's identity, responding to enquiries, sending information to members and registering that player with the Regents Park and Camden & Islington Youth Football League for the team they are playing for. In addition Soccerscool may be required to provide name, date of birth and home address to London Football Association if they require it.

Soccerscool holds appearance information for the purposes of club records. Soccerscool Website and the club form will hold members' data in teams to support communication of team activities, the team set up, team communications and team progress. Soccerscool will use third parties such as the Spond App to advise of matches and training. Our website may contain links to other sites.

Please be aware that Soccerscool is not responsible for the privacy practices of these sites and users are to be aware when they leave the website of Soccerscool that they need to read the privacy statements applicable on the other sites they are linked to.

We don't keep a record of any bank or credit card details.

Updating of Personal Information and Circumstances

In the event that there is a change to a member's personal information or circumstance for example their contact details or leaving the club, Head Coach must be informed ASAP to ensure all Club records are maintained as accurately as possible.

Access to Members Personal Information

Members and their parents have the right to access the information that Soccerscool holds about them. In order to do this a written application is to be made to the Head Coach via email: info@soccerscool.net. Such information will be provided within 30 days.

Disposal of Personal Information

Data will be disposed of securely and permanently, within a reasonable timeframe, when the player leaves the club.
